

TOTALLY INTEGRATED INDUSTRIAL AUTOMATION
OIL & GAS AUTOMATION SERVICES
SOLAR CELL APPLICATIONS

Your Trusted Partner

WHAT WE DO

With our many years of experience, **WIACS** will be your trusted partner, we can support you in continuously improving the reliability, safety & efficiency of your products, processes & plants. We provide industrial automation, drive technology & services based on best technology "**SIEMENS**". In addition we provide solar energy applications. We can thus help you measurably increase your productivity & improve your time with innovative & integrated technology across the entire lifecycle.

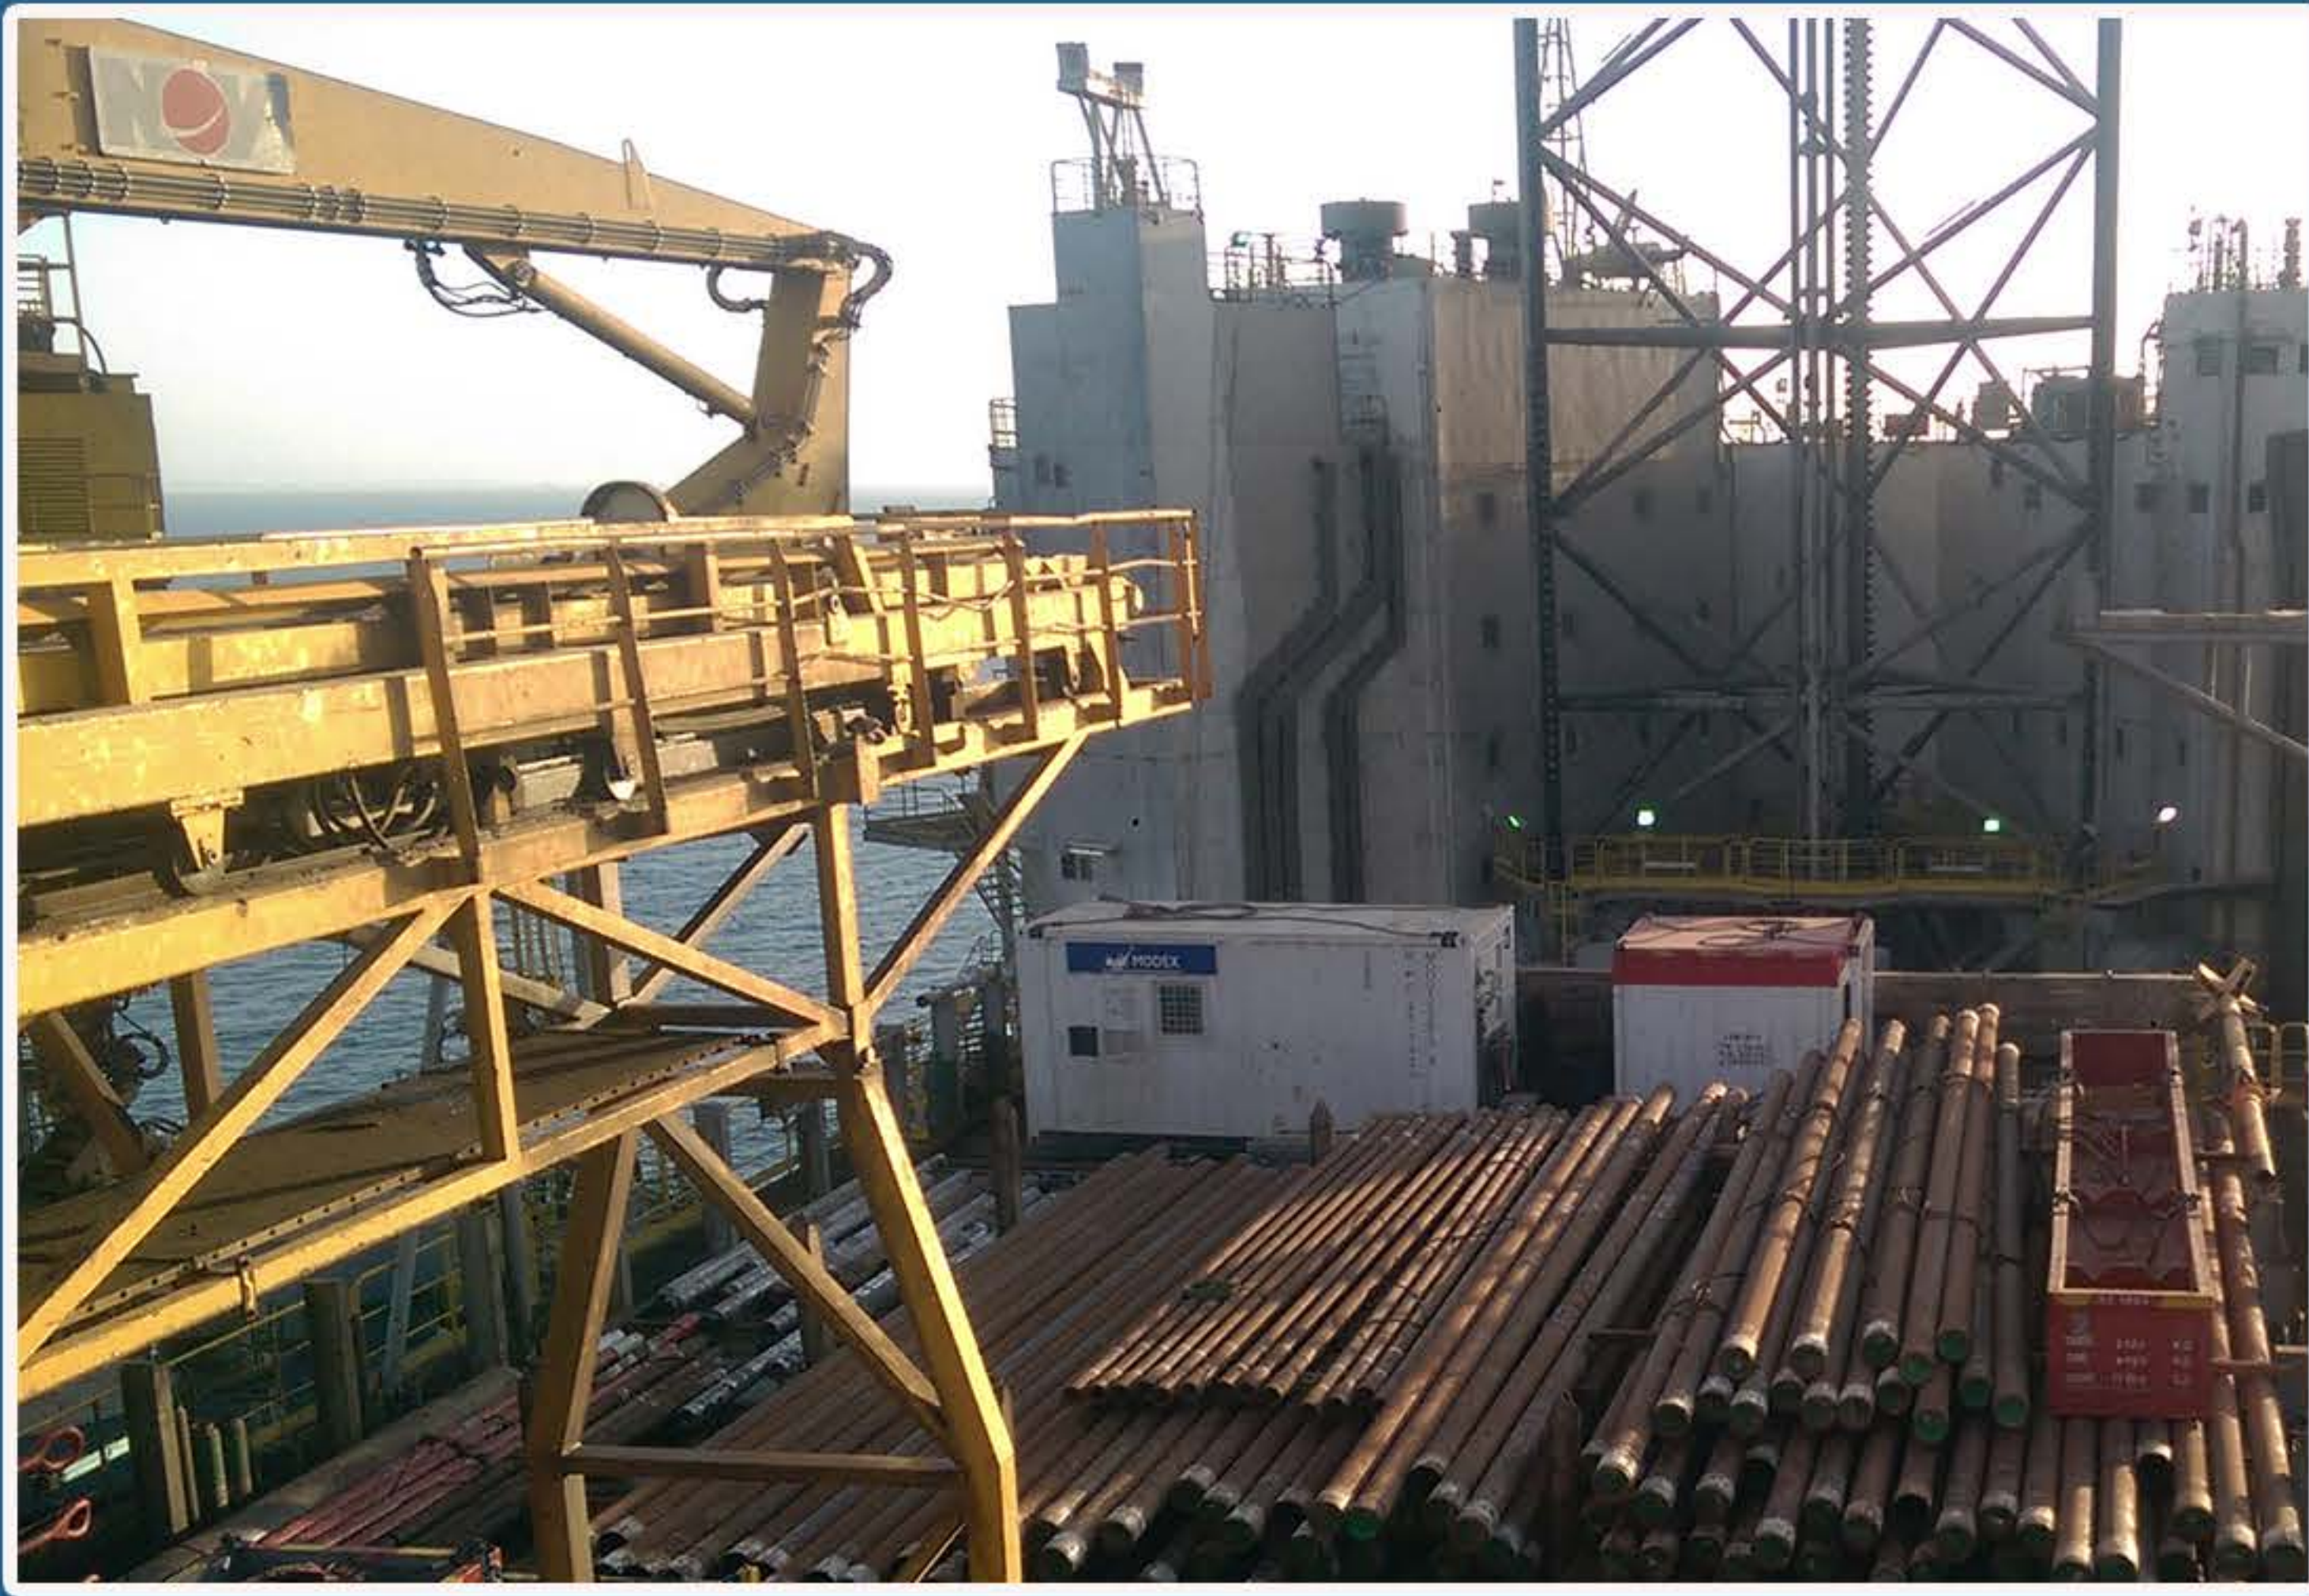

YOUR TRUSTED PARTNER

TRAINING

- * Hundreds of training hrs. for tens of trainees were delivered during last five years.
- * Complete and integrated professional Industrial automation and control system training programs:
 - TIA Full Portal "1200, 1500"
 - Controller Step7
 - HMI WINCC
 - Drives
 - SIMATIC STEP7
 - PLC SIEMENS 300/400
 - SIEMENS HMI OPs and SCADA

OIL & GAS

PROJECT

Customized & reliable solutions with minimized cost is our target
Design, assembly, installation and continuing support is our task.

TECHNICAL SUPPORT

- * Keep the Machine Running
- * 24 hrs./day, 7 days/week.
- * At your site or remotely support.
- * Specialist, professional and qualified team ready to support you.

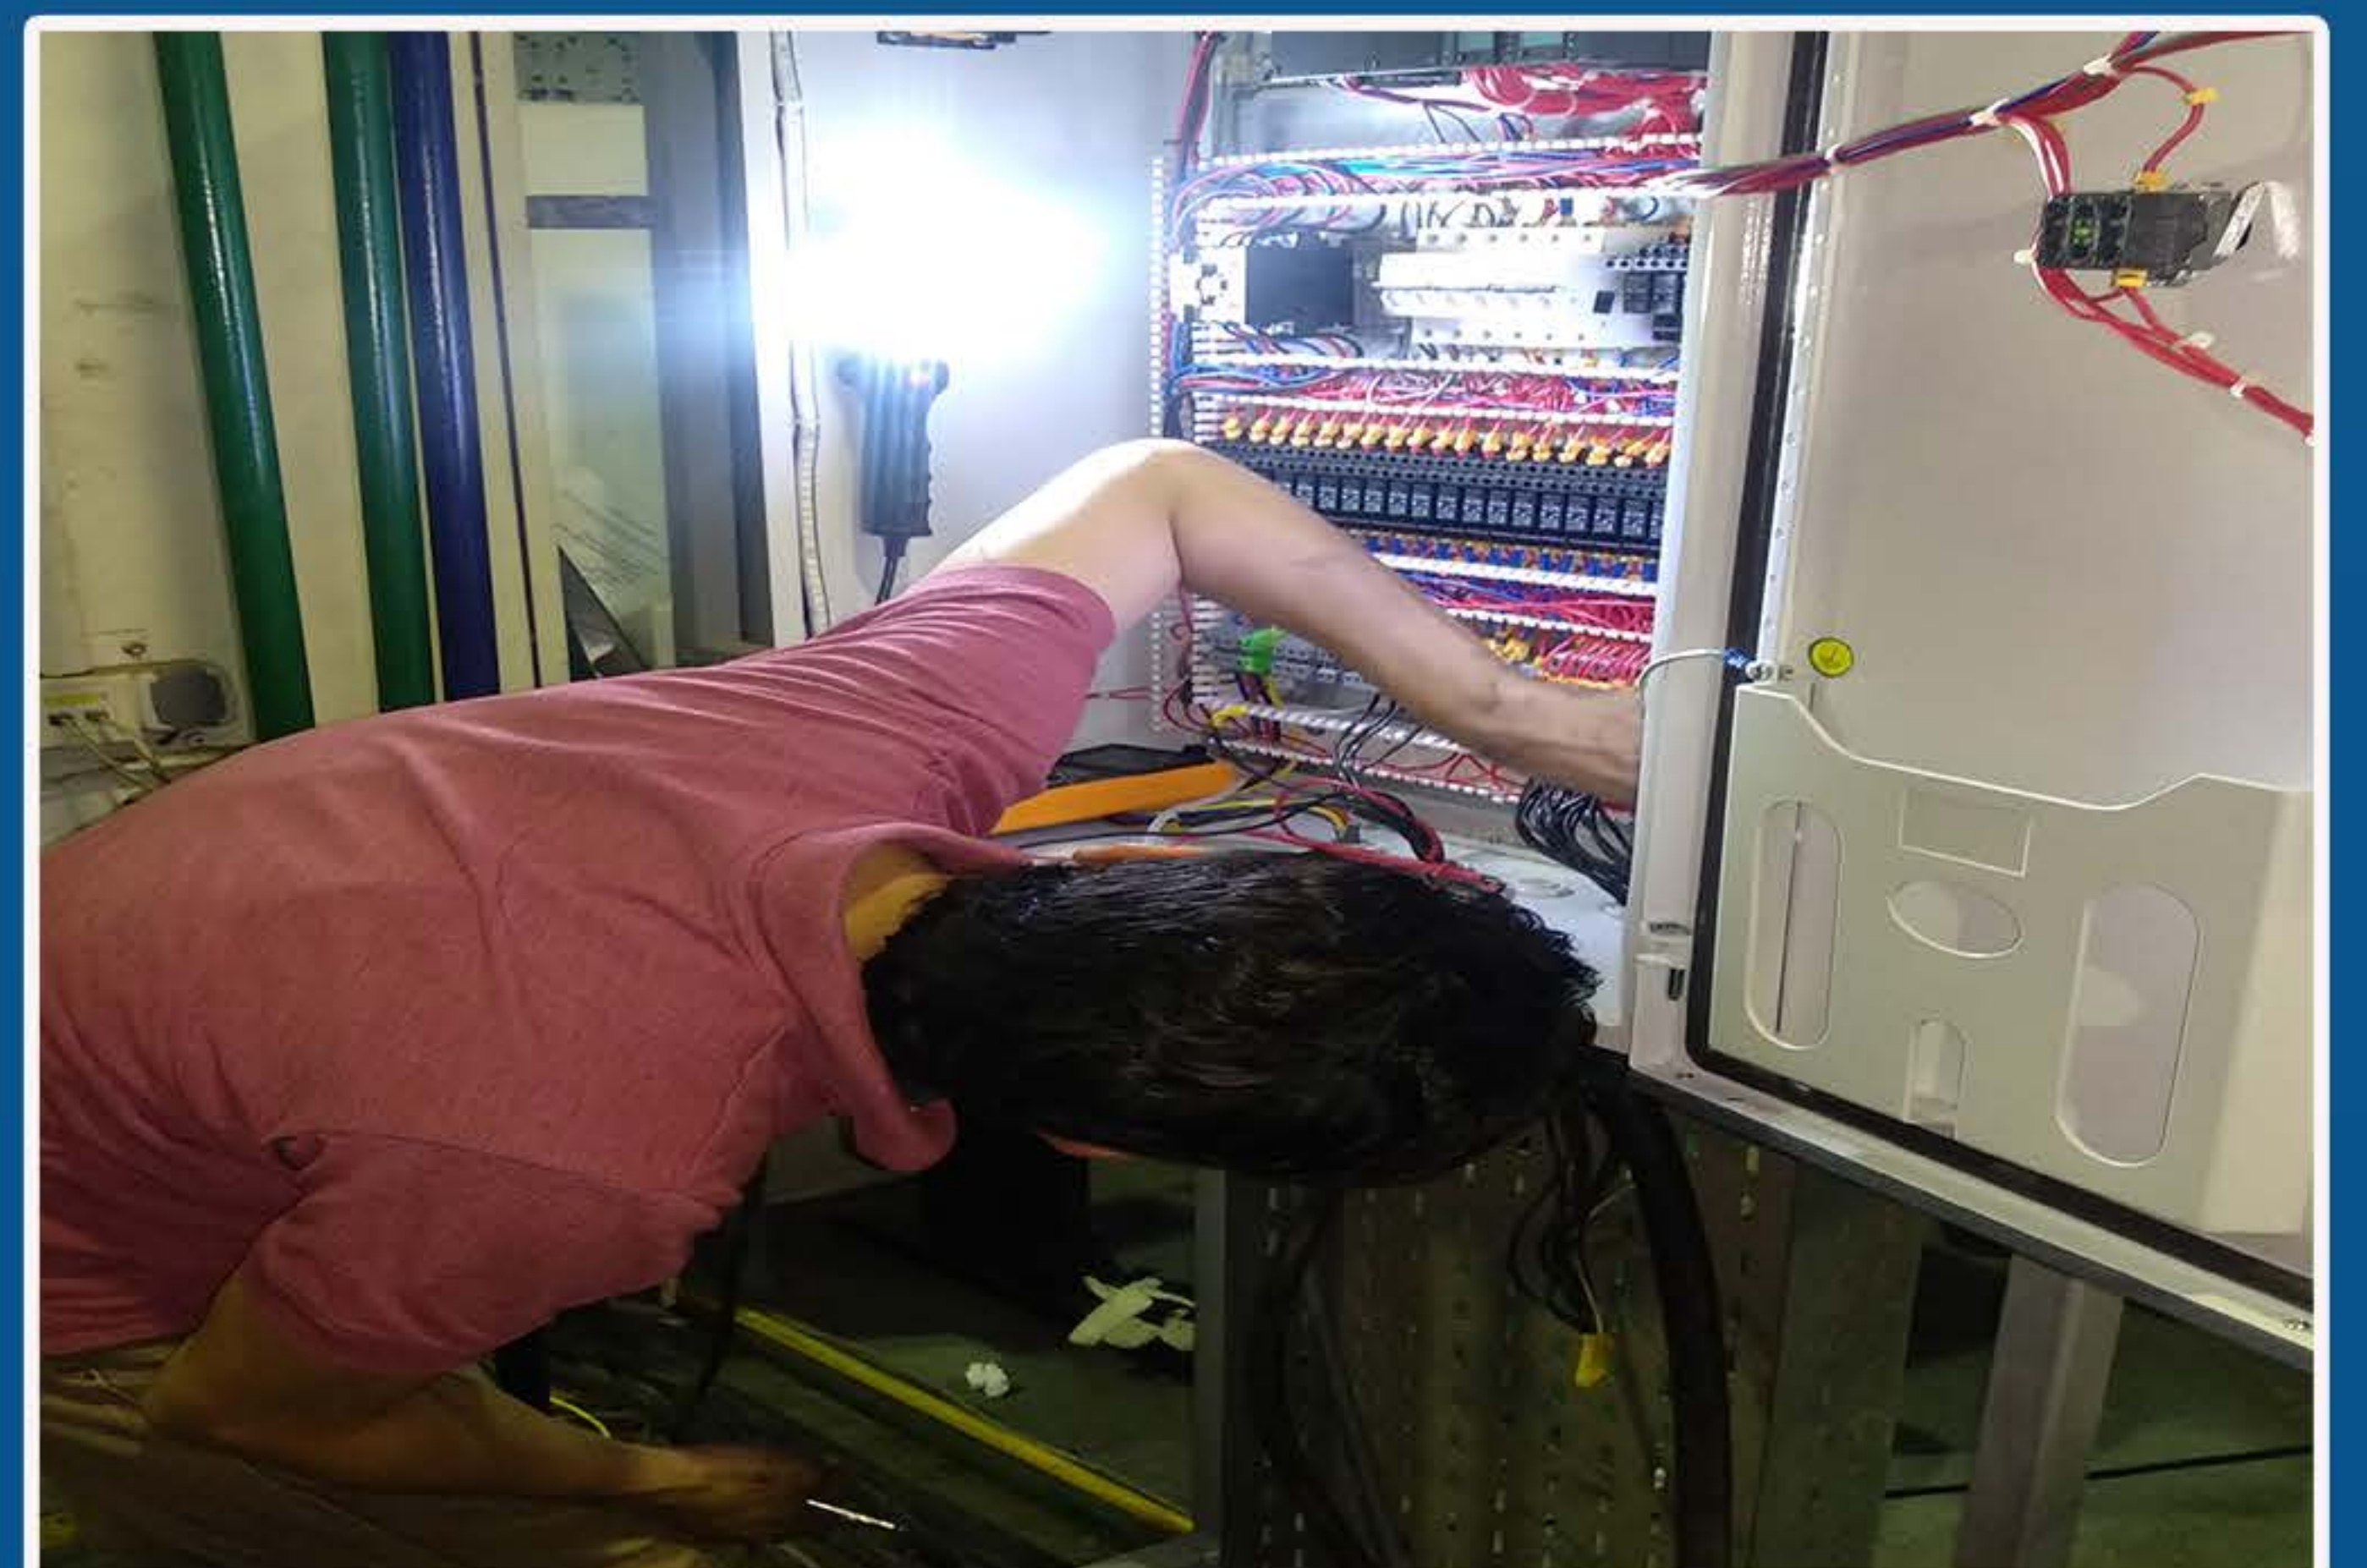

- * Automation, Electrical, Solutions & Services.
- * Supply of spare parts & Maintenance contract.
- * Traveling Block Control Customized Sys. using PLC & HMI for Drilling Rigs.
- * Automation & Electrical Courses: (PLC, HMI's, VFD & SCR, and more...)
- * SinoTharwa , ECDC , Weatherford, International Drilling Material and others were trusted in **WIACS** .

SUPPLY

- * Automation syst.,instrumentations, motors & drives.
- * Industrial communication switches & PCs.
- * Industrial Valves.
- * Original conditions, competitive prices, stock & fast delivery.

REPAIRE

- * HMI Panels.
- * Industrial PC's.
- * AC & DC Drives.
- * Amphion Systems.
- * Electronic Circuit Boards.
- * Made by Anyone. Repaired by **WIACS**.
